codifica delle finiture  
finishes codes

Anteponere alle sigle sottostanti i disegni le codifiche identificanti le finiture in categoria L1, L2 e L3. Aggiungere dopo le sigle sottostanti i disegni le estensioni di codice identificanti le finiture della struttura metallica in categoria M1 e M2. Per ogni ulteriore indicazione inerente la codifica consultare il listino prezzi.  
Place the codes identifying finishes in category L1, L2 and L3 before of the codes under the drawings. Then add to the codes under the drawings the extension codes identifying the metal frame finishes in category M1 and M2. For all additional code-related identification, consult the price list.
